The Committee reviewed the latest changes to the Draft Project Proposal List and was asked for input. The Committee expressed no concern with the list nor offered any additional changes. The bicycle element of the plan was discussed with some suggestions by Skip Browder on extending some bike routes just outside of the town's limits on Covered Bridge Road. The committee decided to include a pedestrian element with Wilson's Mills expressing a desire to include sidewalks.

Once all elements of the plan are finalized, then the CTP recommendations will be presented to the individual towns for comments prior to holding the public forums.
